SPECIAL EVENT PERMIT APPLICATION

Any Village resident, or any Village business holding a current Village business tax receipt pursuant to Chapter 70, Article II, is eligible to apply for and obtain a special event permit pursuant to Sec. 78-561. Any such resident or business that desires to conduct any type of special event within the Village must obtain a permit from the Village in order that the Village may adequately provide for the potential impacts created by the proposed event. A maximum of four (4) such permits shall be allowed per address or per business in any single calendar year. A special event that includes multiple addresses, for example within a shopping center, shall count as one event for each address captured by the special event permit.

“Special Event” is any outdoor activity, gathering or group of persons, vehicles or both, organized and having a common purpose, upon public or private property, which is likely to inhibit the usual flow of vehicular or pedestrian traffic, which is likely to create noise in excess of that typically associated with the areas upon which the event is to occur, or which is likely to preempt or restrict use of property typically accessible by the general public. Examples of Special Events include, but are not limited to block parties, parades, races or walks, grand opening events, charity fundraisers, and other similar events not specifically permitted by the Village’s zoning ordinance. Special Events that are sponsored by the Village and held on Village property shall be exempt from the provisions of this section.
